

Contractors

Your business is well-crafted, your insurance policy should be too.

Let's build your customized solution.

These highlights showcase our commitment to flexible, comprehensive and responsive solutions for you and your business.

Property

Protect your commercial property with our enhanced building and/or contents broad form wording and combine with optional coverages that best suit your needs:

- Contractor's equipment coverage for mobile equipment and tools
- Builder's risk coverage for renovations or new structures
- Our customizable contractors extension package that includes:
 - › Replacement cost including leased equipment
 - › Installation floater and unscheduled tool floater
 - › Coverage for rented, leased or borrowed tools and equipment

Casualty

For the best protection available, rely on our CGL Max and combine with optional coverages:

- Liability *EDGE* offering three levels of coverage with extensions that include:
 - › Building materials replacement cost
 - › Difference in deductibles coverage
 - › Limited pollution liability coverage
- Privacy breach liability
- Wrap-up liability
- Crane and hoist operators' legal liability

Business interruption

Protect your organization with one of our business interruption coverages including profits or extra expense and combine with optional coverages such as:

- Contractor's extension package offering contractor's equipment loss of earnings
- Business interruption extension which includes:
 - Professional fees
 - Newly acquired property
 - Extra expense

Commercial Auto

We offer multi-policy discounts when you choose Intact for both commercial auto and P&C policies.

- Preferred pricing on dash cams purchased through our partner vendors
- Fleet monitoring discount for active telematics installation
- Fleet options for businesses operating in multiple provinces
- Risk control offers safety insights and best practices support for fleet policy management
