

NOTICE TO INSURED

CONTRACTUAL LIABILITY ENDORSEMENT (S.E.F. NO. 96) – (Applicable to Alberta, British Columbia, Manitoba, Yukon, Saskatchewan, Northwest Territories and Nunavut)

Hello,

Thank you for renewing your commercial insurance policy with Intact Insurance. We have made changes to your policy to ensure that our forms are fully compliant with provincial regulations. However, such changes lead to the following reduction in coverage:

Contractual Liability Endorsement (S.E.F. No. 96)

Deletion of Details within the Exclusion: The updated endorsement does not list specific types of contracts or scenarios where assumed liability is not covered. For example, the previous version could specifically exclude coverage with respect to contracts where the insured assumed the legal liability of the automobile owner or where the insured was liable for the indemnitee's sole negligence.

Please note that this notice to Insured is only a summary of the changes brought to your coverage. Please read the changes carefully and keep this notice in a safe place, along with your insurance contract. If you have questions about your policy or these changes, please contact your insurance broker.

Sincerely,
The Intact Insurance Team
