

Deletion Of Breakdown Coverages

Applicable to the Electronic Data Processing Systems, Data, Media Form.

1. This form is amended to exclude loss of or damage to insured property caused directly or indirectly by the following perils which are added to the Perils Excluded section;
 - (k) mechanical failure, faulty construction or error in design of the property insured;
 - (l) short circuit, blow-out or other electrical disturbance, other than lightning within electrical apparatus;
 - (m) data processing media failure or breakdown or malfunction of the data processing system including equipment and component parts when said media is being run through the system.
2. The Breakdown deductible is deleted.
3. The Maintenance Agreement Clause is deleted.

Except as otherwise provided in this endorsement all terms and conditions of this policy shall remain unchanged.
