## **Time Restriction – Peril of Theft**

---

With respect to the peril of theft, this Form shall not cover insured property left unattended in or on vehicles between the hours of 8:00 P.M. and 8:00 A.M. standard time.

It shall be an absolute defence hereunder against any claim for loss of or damage to property insured caused by theft from an unattended vehicle during said period, where there is any lack of definite evidence as to the actual point of time when the theft occurred.

This restriction relating to loss of or damage to property insured by the peril of theft shall not apply in the event that such property was contained in or on a vehicle and the vehicle was located within a locked building providing there is visible evidence of forced entry into such building.

Except as otherwise provided in this endorsement all terms and conditions of this policy shall remain unchanged.
