Vacancy Permit

Permission is hereby granted for the building to which this Vacancy Permit is applicable, to remain vacant, for the number of days indicated on the Declaration Page(s), from the date that this endorsement is effective. This permit will not extend beyond the expiry date shown on the declaration page of this policy.

The building or buildings must:

- 1) be under daily supervision and care of some competent person during the term of such vacancy,
 - 2) have the doors and windows securely closed and locked, and
 - 3) be clear of all rubbish within and around said buildings and premises,
- otherwise this policy is null and void.

In the event these premises become occupied, this permit shall automatically lapse.

Warning/ Please read your policy as certain perils may not apply during vacancy or unoccupancy.
