Words and phrases in bold font or quotation marks have special meaning as defined below or in the form to which this endorsement is attached.

The titles of sections or paragraphs listed below should not be considered for purposes of interpreting the intent of this Form; these titles have only been inserted for ease of reading.

This endorsement modifies insurance provided under the following forms:

Building and/or Contents - Broad Form (BF02)

Computer Systems, Media & Data Breakdown Extension (E075)

1. Lease Or Rental Agreement

It is a condition of this insurance that the Insured shall file with the Insurer a copy of any lease or rental agreement pertaining to **computer systems** insured in this Form. Coverage afforded by this Form shall be for only those perils which the Lessor has not assumed under the terms of said lease or rental agreement and which are not otherwise excluded under this Form. The Insured agrees to give the Insurer advance notice of any alteration, cancellation or termination of any lease or rental agreement. If the Insured fails to notify the Insurer of any such alteration, cancellation or termination of any lease or rental agreement on file with the Insurer, then the liability of the Insurer shall be no broader than what it would have been under the terms of the last reported lease or rental agreement for loss of or damage to the property insured.

2. Maintenance Agreement

It is a condition of this insurance that a maintenance agreement for the **computer systems**, including component parts insured in this Form, shall be entered into and maintained in force during the term of this policy. The Insured agrees to immediately notify the Insurer of the cancellation or non-renewal of any contract which provides maintenance services to any equipment. If the Insured fails to notify the Insurer of any such cancellation or non-renewal of any contract which provides maintenance services to any of the **computer systems**, such failure will result in voiding the mechanical breakdown coverage provided as of the cancellation or non-renewal date of such maintenance services contract.

Except as otherwise provided in this endorsement, all terms and conditions of this policy shall remain unchanged.
