Single Amount of Insurance

This policy provides a Single Amount of Insurance that may be applied to any insured loss or damage to the property insured in this section of your policy, except for personal property under "Personal Property With Special Limits of Insurance".

The Single Amount of Insurance is the sum of the amounts shown on the Declarations Page for Dwelling Building, Additional Buildings, Personal Property and Loss of Use of Your Dwelling and this is the maximum amount we will pay for insured loss or damage in any one "occurrence", unless stated otherwise.

Homes of Log Construction are not eligible for Single Amount of Insurance.

SECTION I – FARMOWNERS PROPERTY

COVERAGE A – DWELLING BUILDING

We insure:

- (a) your "dwelling" and attached structures;
- (b) permanently installed outdoor equipment on the premises;
- (c) outdoor "domestic water container", including swimming pools, hot tubs, saunas and attached equipment on the premises;
- (d) materials and supplies located on or adjacent to the premises intended for use in construction, alteration or repair of your "dwelling" or additional buildings/structures, incidental to the dwelling, on the premises. We insure against theft only when your "dwelling" is completed and ready to be occupied.

Building Fixtures and Fittings

We also insure building fixtures and fittings temporarily removed from the premises for repair or seasonal storage. We do not insure detached private structures used in whole or in part for "business" or farming purposes.

Outdoor Trees, Shrubs, Plants and Lawns

You may apply up to 5% of the "Amount of Insurance" on your "dwelling" building as shown on the Declarations Page to outdoor trees, plants, shrubs and lawns on your premises. We will not pay more than \$1,000 for any one tree, plant or shrub including debris removal expenses.

We insure outdoor trees, plants, shrubs and lawns against loss caused by fire, lightning, explosion, impact by aircraft or land vehicles, riot, vandalism and malicious acts and theft including damage caused by theft.

We do not insure outdoor trees, plants, shrubs and lawns grown for commercial purposes.

There is no coverage for loss or damage to lawns caused by a vehicle operated by you or your employees.

COVERAGE B – ADDITIONAL BUILDINGS

We insure private buildings or structures detached from the "dwelling" and which are on your premises, but not insured under the dwelling building. If they are connected to the "dwelling" by only a fence, utility line or similar connection, they are considered to be detached.

Personal property stored in a warehouse is insured, but for 90 days only, if the loss or damage is caused by an Insured Peril. Coverage will cease, except for loss by theft or attempted theft for the duration of the policy term, unless we have been notified within the first 30 days and endorse your policy accordingly.

Personal property normally kept at any other location you own is not insured.

BASIS OF CLAIM SETTLEMENT

When Coverage Applies

We will pay claims for insured loss or damage up to your financial interest in the property, but not more than the applicable "Amount(s) of Insurance" for any loss or damage arising out of one "occurrence".

Any payment for loss or damage will not reduce the "Amount(s) of Insurance" provided under Coverage(s) A, B, C and D.

Insurance cannot be a source of profit. It is only designed to indemnify you against actual losses or expenses incurred by you for which you are liable.

Deductible

All coverages under Coverage(s) A, B, C and D are subject to a deductible, unless otherwise stated. The deductible amount is shown on the Declarations Page.

We pay only the amount by which the insured loss or damage exceeds the applicable deductible amount in any one "occurrence" when the loss is \$100,000 or less. If the loss is more than \$100,000 we pay the full amount.

If your claim involves **Personal Property with Special Limits of Insurance**, these limits apply only to the amount of loss exceeding the deductible.

Coverage A – Farmowners Dwelling Building

If you repair or replace the damaged or destroyed building(s), on the same site, with a building of the same occupancy, constructed with materials of similar quality, within a reasonable time after the damage, we will pay the cost of repairs or replacement (whichever is less) without deduction for depreciation.

We provide Guaranteed Replacement Cost on Coverage A – Farmowners Dwelling Building which means:

we will pay the cost of repairs or replacement, on the same site, even if it is more than the principal dwelling replacement cost amount shown on the Declarations Page, provided:

- (i) the principal dwelling replacement cost amount, shown on the Declarations Page on the inception date of the policy, or the most recent renewal date, or the increased amount under the inflation protection coverage on the date the increase took effect, was not less than 100% of the cost to replace the dwelling building, as determined by a valuation guide acceptable to us;
- (ii) the principal dwelling replacement cost amount has not been reduced below the amount determined by the valuation guide; and
- (iii) you notified us, within 90 days of the start of the work, if any improvement, extension or addition has been made to your "dwelling" that will increase the replacement value by more than \$10,000.

If you decide not to repair or replace the damaged or destroyed building, we will pay the actual cash value of the damage at the date of the "occurrence".

When this guarantee is applied on any principal dwelling claim, the total amount of insurance available for other insured coverages is the single amount minus the principal dwelling replacement cost amount shown on the Declarations Page.

Notwithstanding the above, Guaranteed Replacement Cost does not apply to homes of log construction.

Coverage C – Personal Property

1. For electronic media, we will pay the cost of reproduction from duplicates or from originals of the previous generation of the media. We will not pay the cost of gathering or assembling information or data for reproduction.
2. For other records, including books of account, drawings or card index systems, we will pay the cost of blank books, pages, cards or other materials plus the cost of actually transcribing or copying the records.
3. We will pay on the basis of replacement cost for all other personal property except:
 - a) articles that cannot be replaced with new articles because of their inherent nature, including antiques, fine arts, paintings and statuary;
 - b) articles for which their age or history substantially contributes to their value, such as memorabilia, souvenirs, and collectors items;
 - c) property that has not been maintained in good or workable condition;
 - d) property that is no longer used for its original purpose;for which we will pay only on the basis of actual cash value.

"Replacement Cost" means the cost, on the date of the loss or damage, of the lesser of:

- (i) repairing the personal property with materials of similar kind and quality; or,
- (ii) new articles of similar kind, quality and usefulness;

without any deduction for depreciation.

We will pay on the basis of replacement cost only if the property lost or damaged is repaired or replaced as soon as reasonably possible, but in no case more than one (1) year after the date of loss. Otherwise, we will pay on the basis of actual cash value.

You may choose payment on the basis of actual cash value initially. If you later decide to replace any destroyed or stolen property, you may make an additional claim for the difference between the actual cash value and the replacement cost.

We will not pay more than the applicable limit under either the replacement cost or actual cash value basis for **Personal Property With Special Limits of Insurance**.

Actual Cash Value

The actual cash value is what the property is worth and takes into account such things as the cost of replacement less any depreciation and obsolescence. In determining depreciation, we will consider the condition of the property immediately before the damage occurred, the resale value and the normal life expectancy.

ADDITIONAL COVERAGES

All additional coverages provided in this section are subject to the perils, exclusions, conditions, definitions, terms and provisions of this form.

While your personal property is in your "dwelling", it is covered for loss or damage due to a change of temperature resulting from damage to your dwelling building(s) or equipment caused by an insured peril.

We will pay for loss or damage to foods while contained in a freezer on your premises resulting from the failure of the freezer's refrigeration equipment caused by:

- (d) The "Insured" becomes legally obligated to pay to protect property from imminent hostile fire

Hostile fire means a fire that becomes uncontrollable or breaks out from where it was intended to be.

This coverage is not subject to a deductible.

The limit stated above does not reduce the amount of insurance.

Inflation Protection

If there is a loss insured under Coverage(s) A, B and C, we will automatically increase the "Amounts of Insurance" shown on the Declarations Page, under Coverage(s) A, B and C, by amounts which are solely attributable to the inflation increase

- (a) since the inception date of this policy; or
 - (b) the latest renewal date; or
 - (c) from the date of the most recent change to the amounts of insurance shown on the Declarations Page,
- whichever is the latest.

On the renewal date of your policy, if required, we will automatically increase the "Amounts of Insurance" shown on the Declarations Page, under Coverage(s) A, B and C, by amounts which are solely attributable to the inflation increase since the inception date of this policy or the latest renewal date.

Lock Repair or Replacement

This coverage is not subject to a deductible.

Mass Evacuation Additional Living Expense

We will pay any necessary and reasonable increase in living expense incurred by you while access to your "dwelling" is prohibited by order of civil authority but only when such order is given for mass evacuation as a direct result of a sudden and accidental event within Canada or the United States of America.

You are insured for a period not exceeding four (4) weeks from the date of the order of evacuation.

You are not insured for any claim arising from evacuation resulting from:

- (a) flood, meaning waves, tides, tidal waves or the rising of, the breaking out or the overflow of, any body of water, whether natural or man-made;
- (b) earthquake;
- (c) war, invasion, act of a foreign enemy, declared or undeclared hostilities, civil war, rebellion, revolution, insurrection or military power;

- (e) contamination from radioactive material.

The term "civil authority" shall mean any person acting under the authority of the Governor General in Council of Canada or the Lieutenant Governor in Council of a province and/or any person acting with authority under a Federal, Provincial or Territorial legislation with respect to the protection of persons and property in the event of an emergency.

Permission to Remove Property

If you must remove insured property from your premises to protect it from loss or damage covered by this policy, it is insured by this policy for ninety (90) days or until your policy ends – whichever occurs first. The "Amount of Insurance" will be divided in the proportions that the value of the property removed bears to the value of all property insured at the time of loss.

Tear Out

If any walls, ceilings or other parts of insured buildings or structures must be torn apart so that water damage covered by this policy can be repaired, we will pay the cost of repairing that which had to be torn apart. The cost of tearing out and replacing property to repair damage related to outdoor "domestic water containers" or public "watermains" is not insured.

Arson or Theft Conviction Reward

We will pay up to \$1,000 to any person, excluding law enforcement officers or agencies, for information which leads to a conviction for either arson or theft in connection with loss or damage to property insured by this policy. This coverage may increase the amount payable under the policy. However, the \$1,000 limit is the maximum we will pay regardless of the number of persons providing the information.

This coverage is not subject to a deductible.

We will pay the additional cost of demolition, construction or repairs which is required to comply with any law regulating demolition, construction or repairs of the buildings for insured loss or damage, up to \$30,000, unless a specific amount for this coverage is shown on your Summary Coverage page.

2. This includes:
- loss resulting from the demolition of any undamaged portion of the building or structure; or cost of demolishing and clearing the site of any undamaged portion of the building or structure; or
 - any increase in the cost of repairing, replacing, or constructing the buildings or structures on the same site and for the same use or occupancy.
