

## **Collapse Deductible Endorsement**

---

If "Collapse Deductible Endorsement" is shown on the "declarations page(s)", your policy wording is amended.

The deductible clause applicable to the dwelling, personal property, building or contents is amended as follows:

The Insurer is liable for the amount by which the loss or damage caused by the following peril of collapse exceeds the amount of the deductible specified in the "declarations page(s)" for Collapse Deductible Endorsement in any one "occurrence", at any one location specified in the "declarations page(s)":

- ~ Peril of Collapse: loss or damage to the roof or eaves of a "building" due to weight or pressure of melting of ice or snow

All other terms, conditions, provisions, definitions and exclusions of the policy to which this endorsement applies remain unchanged.
