

## Important Changes to your Pleasure Craft policy!

Hello,

At Intact Insurance, we believe insurance is not about things. It's about people.

We are committed to protecting what's important to you and have recently updated our Pleasure Craft coverage. Your boat will now be protected by our new *my boat and me* product. This offers similar coverage to what you had previously but includes a number of improvements, as well as some reductions as noted below.

Your policy number has also changed, your new policy number is: .

### Coverage Improvements/Clarifications

Your new *my boat and me* form will provide new coverages like marine environmental damage, coverage for trailers and increased limits for voluntary medical payments.

We've also expanded the coverage territory to protect your vessel while on land both in Canada and the US.

### Coverage Reductions / Exclusions

We will no longer be offering the Pet Companion benefit or coverage for permanent equipment laid-up ashore for the purpose of maintenance, repair or storage of the watercraft. We have also added new exclusions for loss or damage caused by terrorism, loss or damage that occurs while the watercraft is being loaded or unloaded or transported aboard a cargo vessel and loss or damage caused by marring, scratching, chipping or denting unless caused by theft or attempted theft.

This notice to the insured is only a summary of the changes brought to your coverage. A new set of Statutory Conditions will also apply. Please refer to your new *my boat and me* form to review all the details of your coverage, including a full list of conditions and exclusions. If you have questions about your policy or these changes, please contact your broker at Phone No. or visit [intact.ca/pleasure-craft](https://intact.ca/pleasure-craft).

Thank you for choosing Intact Insurance. We hope that you will appreciate the flexibility and protection your new *my boat and me* coverage provides.
