Planning your next business trip? Dreaming of your upcoming vacation? Now is a great time to purchase your next TravelWell® policy!

We've made some important changes to our TravelWell product, making it even better.

- **Sign up for our All-Inclusive Plan.** Take advantage of cost savings and added convenience by adding trip cancellation/interruption and lost/stolen or delayed baggage to your TravelWell Plan. Call your insurance broker and upgrade your plan today!
- **Our definition of family has grown!** We have expanded the classification of family to include grandchildren if they are travelling with you. A great benefit for those trips to Disneyland or out of province camping trips.

TravelWell offers the same great perks as before, including:

- **Worldwide Protection.** No matter where you travel outside your province of residence, you are protected.
- **Personal Assistance 24/7.** You'll have immediate access to worldwide assistance 24 hours a day, 365 days a year.
- **Convenience under one policy.** With everything on one policy, you can take many trips and pay one annual premium!
- **Free pre-trip advice.** Call TravelWell before you go for information on health hazards, passport requirements, and weather updates.
- **Your policy has been issued with a \$0 deductible.**

Within the next 30 days, you will receive your TravelWell documents. If you require a temporary card in the interim, or you have any questions, please call TravelWell at 1-877-717-7267. Make sure you carefully review the details of your policy.

Travelling should be carefree and relaxing. You want fun and adventure, not surprises. Whether you're travelling on business or for pleasure, know that you have financial protection against unforeseen and unexpected emergencies when you travel.
