PROPERTY COVERAGES

CONDOMINIUM PROTECTION

We will pay up to the amount of insurance shown on the Coverage Summary page in any one occurrence for loss or damage caused by an Insured Peril. The amount of insurance for this section applies to any one or a combination of the following coverages.

Unit Improvements And Betterments

Improvements and betterments made or acquired by you, including:

- any building, structure or outdoor domestic water container, including swimming pools, hot tubs, saunas and attached equipment on the premises;
- materials and supplies on the premises for use in such improvements and betterments.

Unit Additional Protection

We insure your unit if the Condominium Corporation has no insurance for a loss, its insurance is inadequate, or it is not effective. However, if the Condominium Corporation has no insurance for the loss, we will not pay more than \$50,000.

We will cover up to \$100,000 of the portion of any insured loss to your unit that is excluded under the deductible clause in the Condominium Corporation insurance policy and for which you are responsible.

Common Elements Loss Assessment

We will pay your share of any special assessment if the assessment is valid under the Condominium Corporation's governing rules and it is made necessary by a direct loss to common elements caused by a peril insured under the Condominium Corporation Policy.

This includes an assessment due to a deductible in the Condominium Corporation policy, the most we will pay under this coverage is \$100,000. However, if an assessment is made necessary by an earthquake deductible we will not pay more than \$2,500.

Where the Common Element is not insured in the Condominium Corporation policy to 100% of the replacement value (based on the most recent depreciation report, reserve study fund, insurance appraisal, replacement cost appraisal, or equivalent report obtained by the Condominium Corporation) prior to the loss, the most we will pay under this coverage is \$100,000.

You may apply up to 10% of this insurance to insure building fixtures and fittings pertaining to your unit while temporarily removed from the premises for repair or seasonal storage.

You may apply up to 5% in all of the amount of insurance on your dwelling building as shown on the Coverage Summary Page to trees, plants, shrubs and lawns, on your premises, excluding cannabis plants. We will not pay more than \$1,000 for any one tree, plant or shrub including debris removal expenses. We insure these items against loss caused by fire, lightning, explosion, impact by aircraft or land vehicles, riot, vandalism and malicious acts and theft including damage caused by theft. We do not insure items grown for commercial purposes.

Cost to Find New Tenants

We will pay up to \$250 for costs incurred by you for finding new tenants if an insured peril causes you to lose your current tenants. These charges can include advertising, credit checks, and/or reference checks.

Personal Property

If you have purchased this coverage we insure the following personal property, which you own while on your premises described on the Coverage Summary page:

- equipment used for maintenance of the dwelling and premises including lawn-mowers and lawn tractors;
- refrigerators, stoves, dishwashers, washing machines and clothes dryers but excluding coin operated washing machines and clothes dryers;
- furniture, décor, linens, small appliances and electronics, cookware, dishes, glassware and flatware that are normally located at the unit and are included as part of a furnished rental.

If you must remove insured property from the premises to protect it from loss or damage, it is insured by this policy for 30 days or until your policy term ends - whichever occurs first. The amount of insurance will be divided in the proportions that the value of the property removed bears to the value of all property at the time of loss.

Fair Rental Value

You have this coverage only if a limit of insurance is shown for it on your Coverage Summary page.

We insure the Fair Rental Value of your unit:

- if an Insured Peril makes that part of the dwelling rented to others or held for rental by you unfit for occupancy. Payment shall be for the reasonable time required to repair or replace that part of the dwelling rented or held for rental.
- if a civil authority prohibits access to your unit or building containing your unit as a direct result of damage to neighbouring premises by an Insured Peril. Payment shall be for a period not exceeding 2 weeks.

The periods of time stated above are not limited by the expiration of the policy.

Fair Rental Value means the actual total annual gross rent or rental value of the occupied portion(s) of the unit plus the estimated annual rental value of any unoccupied portion(s) of the unit. It shall not include any expense that does not continue while that part of the dwelling rented or held for rental is unfit for occupancy.

We do not insure the cancellation of a lease or agreement.

Debris Removal

The amounts of insurance shown on the Coverage Summary page include the cost of removing debris caused by loss or damage to property insured by this form as a result of an Insured Peril.

ADDITIONAL COVERAGES

Fire Department Charges

We will reimburse you for charges incurred if a fire department charges for attending your unit because of an Insured Peril.

This coverage is not subject to a deductible.

BASIS OF CLAIM SETTLEMENT

When Coverage Applies

We will pay claims for insured loss or damage:

- to your unit, less any amount recoverable from any insurance covering the collective interests of the unit owners;
- to personal property and unit improvements and betterments;

as described below, up to your financial interest in the property, but not more than the applicable amount(s) of insurance for any loss or damage arising out of one occurrence.

Any payment for loss or damage will not reduce the amounts of insurance provided by this form.

Insurance cannot be a source of profit. It is only designed to indemnify you against actual losses or expenses incurred by you for which you are liable.

Deductible

All coverages under Property Coverages are subject to a deductible, unless otherwise stated. The deductible amount is shown on the Coverage Summary page.

We pay only the amount by which the insured loss or damage exceeds the applicable deductible amount in any one occurrence.

For losses from Vandalism and Malicious Acts caused by tenants, we pay only the amount by which the loss or damage exceeds 2 times the deductible amount shown on the Coverage Summary page.

Unit Additional Protection And Unit Improvements And Betterments

If you repair or replace the damaged or destroyed unit or unit improvements and betterments, on the same site, with a unit of the same occupancy, constructed with materials of similar quality, within a reasonable time after the damage, we will pay the cost of repairs or replacement (whichever is less) without deduction for depreciation.

If you decide not to repair or replace the damaged or destroyed unit, we will pay the actual cash value of the damage at the date of the occurrence.

Personal Property

We will pay on the basis of **Replacement cost** except for:

- a) property that has not been maintained in good or workable condition;
- b) property that is no longer used for its original purpose; for which we will pay only on the basis of actual cash value.

Replacement cost means the cost, on the date of the loss or damage, of the lesser of:

- repairing the personal property with materials of similar kind and quality; or,
 - new articles of similar kind, quality and usefulness;
- without any deduction for depreciation.

We will pay on the basis of replacement cost only if the property lost or damaged is repaired or replaced as soon as reasonably possible, but in no case more than 1 year after the date of loss. Otherwise, we will pay on the basis of actual cash value.

You may choose payment on the basis of actual cash value initially. If you later decide to replace any destroyed or stolen property, you may make an additional claim for the difference between the actual cash value and the replacement cost.

Actual Cash Value

The Actual Cash Value is what the property is worth and takes into account such things as the cost of replacement less any depreciation and obsolescence. In determining depreciation, we will consider the condition of the property immediately before the damage occurred, the resale value and the normal life expectancy.

Pair And Set

In the case of loss of or damage to any article(s), whether scheduled or unscheduled, which is (are) a part of a set, the measure of loss of or damage to such article(s) shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of the set.

Parts

In the case of loss of or damage to any part of the insured property, whether scheduled or unscheduled, consisting, when complete for use, of several parts, we will not pay for more than the insured value of the part lost or damaged, including the cost of installation.

Insurance Under More Than One Policy

If you have insurance on specifically described property, our policy will be excess insurance and we will not pay any loss or claim insured by this policy until the amount of such other insurance is used up. In all other cases our policy will pay its rateable proportion of the loss or claim.

Notice To Authorities

Where the loss is, or is suspected to be, due to malicious acts, burglary, robbery, theft, or attempted theft, you must give immediate notice of such loss to the police or other law enforcement agency having jurisdiction.

Duties After Loss

After submission of the Proof of Loss in respect of a loss which may be insured under Section I each of you may be required separately to:

- submit to examination under oath,
- produce for examination all documents in your possession or control that relate to the application for insurance and Proof of Loss, and
- permit extracts and copies of such documents to be made, all at a reasonable place and time designated by us.

Subrogation

We will be entitled to assume all your rights of recovery against others and bring action in your name to enforce these rights when we make payment or assume liability under this policy.

Your right to recover from us is not affected by any release from liability entered into by you prior to loss.
