

Enhanced Water Damage Package

AGREEMENT

The coverages provided by this form apply only if a specific limit for the coverage(s) set out below is shown on the Coverage Summary page of your policy.

The coverages set out in this form are subject to the terms of your policy, except where modified by this form, in which case the terms of this form shall apply. All other terms, of the policy to which this form applies remain unchanged.

In respect of the coverages set out in this form, all causes or events which occur within 168 consecutive hours of the first cause or event causing loss or damage, shall be considered as one occurrence. Provided that the first cause or event occurs before policy expiration, policy termination will not interrupt the 168 hour period.

Sewer Back Up

COVERAGE

You are insured against direct physical loss or damage to insured property caused by the sudden and accidental backing up or escape of water or sewage within your dwelling or additional buildings on your premises through a:

1. sewer on your premises;
2. septic system on your premises;
3. sump located within your dwelling or additional buildings on your premises; or
4. drain located within or on your dwelling or additional buildings on your premises.

EXCLUSIONS

We do not insure loss or damage:

1. if flood directly or indirectly contributes concurrently or in any other sequence to the loss or damage;
2. if surface waters enter your dwelling or additional building on your premises and directly or indirectly contributes to the loss or damage;
3. caused by continuous or repeated seepage or leakage of water;
4. caused by ground water or rising of the water table;
5. occurring while the dwelling is under construction or vacant unless we have given permission for construction or vacancy.

These exclusions apply whether or not there are one or more other causes or events (whether covered or not) that contribute concurrently or in any other sequences to the occasioning of the loss or damage.

AMOUNT OF INSURANCE

The amount of insurance provided for Sewer Back Up is the amount shown on the Coverage Summary page for Sewer Back Up. This is the maximum amount we will pay for loss or damage caused by Sewer Back Up.

The coverage available for Sewer Back Up does not increase the amount of insurance set out in Section I of your policy.

DEDUCTIBLE

We will only pay the amount by which insured loss or damage exceeds the Sewer Back Up deductible shown on the Coverage Summary page.

COVERAGE C – PERSONAL PROPERTY

If “SEWER BACK UP EXT. - ACV PERSONAL PROP.” is shown on your Coverage Summary page, then we will pay only on the basis of actual cash value.

SEWER BACK UP MITIGATION COVERAGE

Following a covered Sewer Back Up loss, we will pay you an additional amount up to \$1,000 for expenses incurred by you for the installation in your dwelling of a Sewer Back Up loss mitigation device. Recognized Sewer Back Up loss mitigation devices are:

1. a normally open backwater valve installed on the main line and or;
2. a sump pump with a backup power system.

Enhanced Water Damage Package

Water & Sewer Lines

COVERAGE

We agree to repair or replace your exterior sewer line and/or your water service line due to direct physical loss or damage resulting from a leak, break, tear, rupture or collapse of the line.

The coverage provided by this section includes:

1. The reasonable and necessary cost of excavation to repair or replace the damaged line.
2. The reasonable and necessary cost to repair or replace outdoor property including, but not limited to trees, shrubs, plants, lawns, sidewalks and driveways damaged, replaced or excavated to make repairs to the line. We will not pay more than \$1,000 for any one tree, plant or shrub including debris removal expenses incurred in respect of this vegetation.

For the purpose of the Water and Sewer Lines coverage, the following exclusions in your policy do not apply:

1. loss or damage caused by rust, corrosion, wet or dry rot, or condensation;
2. loss or damage caused by settling, expansion, contraction, moving, bulging or cracking;
3. loss or damage caused by water;
4. loss or damage caused by wear and tear, inherent vice, latent defect or deterioration;
5. the cost of making good faulty material or workmanship.

EXCLUSIONS

We do not insure loss or damage arising directly or indirectly from:

1. a blockage or low pressure of the line;
2. treatment, removal, recovery or disposal of pollutants or hazardous material;
3. breakdown arising from the disconnection from or interruption to the utility main line.

Nor will we pay for loss or damage to a sewer line or water service line that:

1. runs through or under a body of water, including but not limited to a swimming pool, pond or lake;
2. is not connected and ready for use.

AMOUNT OF INSURANCE

The amount of insurance provided for Water and Sewer Lines is the amount shown on the Coverage Summary page for Water and Sewer Lines. This is the maximum amount we will pay for loss or damage caused to Water and Sewer Lines.

The coverage available for Water Sewer Lines does not increase the amount of insurance set out in Section I of your policy.

DEDUCTIBLE

We will only pay the amount by which insured loss or damage exceeds the Water and Sewer Lines deductible shown on the Coverage Summary page.

DEFINITIONS

Exterior Sewer Line means the line or pipe that connects from the exterior of your dwelling to a public sewer system or private septic system.

Water Service Line means the line or pipe carrying fresh potable water that connects from the exterior of your dwelling to a public water supply system, private well system, and cistern or retention pond.

The exterior sewer line and the water service line must be located on the premises designated on the Coverage Summary page and the line(s) must be owned by you or you must be legally liable for the repair or replacement.

All other terms, conditions, provisions, definitions and exclusions of the policy to which this endorsement applies remain unchanged.
