The Insurer shall not indemnify the Insured for the amounts of the fifth and any subsequent loss for damage resulting from the same cause nor for any loss occurring after the expiry date of the present coverage Form.

6. BASIS OF VALUATION

In the event of loss or damage, settlement shall be made on a **replacement cost** basis subject to the following provisions:

- 6.1. **Replacement** shall be effected by the Insured with due diligence and dispatch;
- 6.2. **Replacement** shall be on the same site, adjacent site or nearest available site;
- 6.3. Settlement on a **replacement cost** basis shall be made only when replacement has been effected by the Insured and in no event shall it exceed the amount actually and necessarily expended for such **replacement**;

Replacement Cost means whichever is the least of the cost of replacing, repairing, constructing or reconstructing the property on the same site with property of like kind, capacity, size and quality and for like occupancy without deduction for depreciation.

In the event that property of like kind, capacity, size and quality is not obtainable, property which is as similar as possible to that damaged or destroyed and which is capable of performing the same function, shall be deemed to be new property of like kind, capacity, size and quality.
