PROPERTY COVERAGE

The following **EXTENSIONS OF COVERAGE** Section deletes and replaces the **EXTENSIONS OF COVERAGE** Section in the **Building and/or Contents – Broad Form** and, except as otherwise provided under the **EXTENSIONS OF COVERAGE** Section below, is subject to all terms, conditions, limitations and exclusions of the **Building and/or Contents – Broad Form**.

EXTENSIONS OF COVERAGE

The following Extensions of Coverage are not subject to a co-insurance requirement unless stated otherwise.

In the event that more than one Extension of Coverage in this **EXTENSIONS OF COVERAGE** Section applies to the same loss or damage as a result of a single occurrence and provides any duplicative coverage, only the Extension of Coverage with the highest available amount of insurance will apply to the portion of the loss or damage with duplicative coverage.

In the event that coverage for loss or damage as a result of a single occurrence provided by an Extension of Coverage in this **EXTENSIONS OF COVERAGE** Section is also provided elsewhere in the policy, except in the Business Interruption Extension endorsement, then the Extension of Coverage in this **EXTENSIONS OF COVERAGE** Section is deleted in its entirety.

In the event that coverage for loss or damage as a result of a single occurrence provided by an Extension of Coverage in this **EXTENSIONS OF COVERAGE** Section is also provided in the Business Interruption Extension endorsement, then only the Extension of Coverage with the highest amount of insurance will apply.

SECTION 1 – BLANKET EXTENSIONS

The following Extensions of Coverage apply in addition to the limits of insurance stated on the Declaration Page(s) for the Building, the Contents (Equipment and/or Stock) or the Property of Every Description up to a total combined limit per occurrence as specified in the Summary of Coverages for Section 1 – **BLANKET EXTENSIONS**.

1. ACCOUNTS RECEIVABLE

The insurance provided by this Building and/or Contents – Broad Form is extended to cover:

- 1.1. all sums due to the Insured from customers, provided the Insured is unable to collect such sums as the result of direct physical loss of or direct physical damage to records of accounts receivable which are inside the **building** at the location designated on the Declaration Page(s), provided such loss or damage is caused by an insured peril;
- 1.2. interest charges on any loan to offset impaired collections pending repayment of such sums made uncollectable by such loss or damage;
- 1.3. collection expense in excess of normal collection cost and made necessary because of such loss or damage;
- 1.4. other expenses, while reasonably incurred by the Insured in reestablishing records of accounts receivable following such loss or damage.

The Insurer shall not be liable for loss or damage:

- 1.5. due to bookkeeping, accounting or billing errors or omissions;
- 1.6. the proof of which as to its factual existence is dependent upon an audit of records or an inventory computation. This shall not preclude the use of such procedures in support of claim for loss;
- 1.7. due to alteration, falsification, manipulation, concealment, destruction or disposal of records of accounts receivable committed to conceal the wrongful giving, taking, obtaining, or withholding of money, securities or other property but only to the extent of such wrongful giving, taking, obtaining or withholding.

Basis of Settlement

- 1.8. When there is proof that a loss insured by this Extension has occurred but the Insured cannot accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be based on the Insured's monthly accounts receivable and shall be computed as follows:
 - 1.8.1. determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the loss occurs;
 - 1.8.2. calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the twelve (12) months immediately preceding the month in which the loss occurs, or such part thereof for which the Insured has furnished monthly statements to the Insurer, as compared with such average for the same months of the preceding year;
 - 1.8.3. the amount determined under paragraph 1.8.1. above, increased or decreased by the percentage calculated under paragraph 1.8.2. above, shall be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said loss occurs;
 - 1.8.4. the amount determined under paragraph 1.8.3. above shall be increased or decreased in conformity with the normal fluctuations in the amount of accounts receivable during the fiscal month involved, due consideration being given to the experience of the business since the last day of the last fiscal month for which statement has been rendered.

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an amount to allow for probable bad debts which would normally have been uncollectable by the Insured. On deferred payment accounts receivable, unearned interest and service charges shall be deducted.

2. BRANDS AND LABELS

The insurance provided by this Building and/or Contents – Broad Form is extended to cover direct physical damage (except by fire) to that part of a **building** occupied by the Insured, resulting from theft or attempted theft and from vandalism or **malicious acts** committed on the same occasion, provided the Insured is not the owner of such **building**, the Insured is legally liable for such damage and the **building** is not otherwise insured under this Building and/or Contents – Broad Form.

For the purposes of this Extension, the Insured shall comply with the co-insurance clause applicable to the **building(s)** and **equipment**.

- 6.1. the Insured's municipal fire or police department; or
- 6.2. a neighbouring municipality's fire department or police department for which there is an inter-municipal agreement.

7. FIRE SUPPRESSION RECHARGE EXPENSE

The insurance provided by this Building and/or Contents – Broad Form is extended to cover any **fire suppression system** recharge expense (including system inspection expenses) incurred by the Insured due to the leakage or discharge of the fire suppressant within any **fire suppression system** at the **premises** of the Insured where such discharge or leakage is caused by or results from an insured peril.

Coverage under this Extension may also be applied to the cost incurred during the policy period of upgrading any **fire suppression system** following loss or damage arising out of a fire to which this Form otherwise applies, and that caused such **fire suppression system** to discharge. The cost incurred for upgrading **fire suppression systems** does not apply to any **automatic sprinkler system** designed to protect the **building or contents**.

Fire Suppression System means special fire suppression equipment, which is not water based and has been designed and installed to conform with National Fire Protection Association (NFPA) guidelines.

the insurance provided by this Building and/or Contents – Broad Form is extended to cover the necessary expenses incurred to prepare such proofs or inventories.

This Extension does not apply to expenses to prove this Building and/or Contents – Broad Form insures against a loss, nor for expenses incurred under the condition of this policy relating to appraisal.

11. REPLACEMENT OF LOCKS AND KEYS

The insurance provided by this Building and/or Contents – Broad Form is extended to cover the replacement, repair or reprogramming of locks in the event of direct physical loss of or direct physical damage to master keys, electronic passes, or key cards controlling the doors to location(s) described in the Declaration Page(s), caused by an insured peril.

This Extension does not apply to:

- 13.1. errors or omissions in processing or copying unless fire or explosion ensues and then, coverage is only provided for direct physical loss of or direct physical damage to **valuable papers and records** and **computer data** caused by such ensuing fire or explosion;

The following clauses are added:

9. NOTICE OF CANCELLATION/TERMINATION AMENDMENT

Applicable to policies for provinces and territories other than Québec

Except for: (i) cancellations for non-payment of premium, and/or (ii) a written notice of termination personally delivered to the Insured, the number of days notice by the Insurer as stated in the Notice of Cancellation or Termination clause(s) contained in this policy is amended to sixty (60) days.

Applicable to Québec policies

It is agreed that the thirty (30)-day prior cancellation notice, provided under paragraph 29.2 of the CANCELLATION Section under the General Conditions form to which this wording is attached, is increased from thirty (30) to sixty (60) days, and that therefore paragraph 29.2 now reads as follows:

29. THIS POLICY MAY BE CANCELLED AT ANY TIME:

- 29.2. By the Insurer giving written notice to each of the Named Insured, at their last known address, at least fifteen (15) days before the effective date of cancellation by reason of non payment of premium or sixty (60) days before the effective date of cancellation for any other reason. Cancellation takes effect fifteen (15) or sixty (60) days after receipt of the written notice, depending upon the reason for cancellation. The Named Insured is entitled to a refund of the excess premium actually paid over the pro-rata premium for the expired time. If the premium is subject to adjustment or determination as to amount, the refund shall be made as soon as practicable.

10. TERRITORIAL LIMITS

Except as otherwise provided, this Form only covers property within Canada and the United States of America.

11. WAIVER OF DEDUCTIBLE FOR A MAJOR LOSS

Except for covered loss or damage caused by earthquake, sewer back-up, flooding and any other type of water damage, the deductible limit stated on the Declaration Page(s) does not apply if the amount of the indemnity is higher than \$250,000.

All other terms and conditions of the policy remain unchanged.
