This Endorsement Changes the Policy. Please Read It Carefully.

Certain words and phrases that appear in bold have special meaning as defined below or in the form to which this Endorsement is attached.

The titles of sections or paragraphs listed below should not be considered for purposes of interpreting the intent of this Endorsement; these titles have only been inserted for ease of reading.

This Endorsement is attached to the Agricultural Property Coverage Forms, and, except as otherwise provided under this Endorsement, is subject to all terms, conditions, limitations and exclusions of such Forms.

The insurance provided by this Policy is extended to cover service charges assessed when a fire or police department is called to save or protect the insured property from fire or another insured peril at the **premises** specified in the Declaration Page(s) or off-**premises**.

This Extension of Coverage only provides reimbursement for service charges for which the **Insured** is liable and which have been invoiced directly from:

- 1.1. the **Insured's** municipal fire or police department; or
- 1.2. a neighbouring municipality's fire department or police department for which there is an inter-municipal agreement.

All other terms and conditions of the Policy remain unchanged.
